MEMORANDUM FOR: Director of Research and Development
THROUGH : Special Panel, CSP
SUBJECT : Recommendation for Promotion -
[REDACTED] 25X1A9a
GS-5 to GS-6

1. It is with pleasure and without reservation that I endorse the action recommended by my predecessor. My assignment was during a summer vacation period and this neat, attractive young lady graciously assumed the responsibility of guiding me through the intricacies of the administrative procedures as practiced by this staff and ORD. I was, and am, impressed by her knowledge and her efficient conscientious approach to her duties. It is honestly believed that she has the potential to assume and perform greater responsibilities and is definitely an asset to this staff, ORD, and the Agency.

2. Your consideration and favorable action on the recommendation to promote [REDACTED] to a GS-6 is respectfully recommended. 25X1A9a
